

## Senior Information

On Friday, April 24<sup>th</sup>, those seniors who plan to attend NW Shoals will be excused until noon to participate in Senior Day at the campus. This will familiarize students with the campus and its programs of study.

Students who do not plan to attend Shoals in **August** will not be excused from class to attend.

Please come by the office to sign up. If you are not on the list, you will not be excused. (You can probably tell I've had these problems in previous years.....)

It is not too late to do the **FAFSA** for August! Go on line to FAFSA and follow the directions! You might get some **money** for tuition.

Some of you have brought in your copies of scholarship letters for **Honor Day**. However, many of you have not.....I do not get a copy of the letter when you are offered a scholarship. To be recognized on Honor Day, I need you to bring me a copy of the letter. The sooner, the better!

**A good thing to do:** Go on-line to your college and look at the program of study for your major. While "basics" for the freshman year are fairly obvious, some majors require a certain science or math class. You need to be aware of your requirements. (*It is sort of like if you were starting high school and not knowing the diploma requirements to graduate.*) You have to know your program requirements and these are all on-line. Let me know if you need help.

"Jump Start" free college class at NW Shoals:

If you plan to take a class in June or July, call **Wanda Lewis at 331-5359** to make an appointment to register. **This needs to be done during the month of April.** She can also arrange your time to take the placement test.
